

Child Nutrition Program Monthly Payment Breakdown 2022-2023

Method of payment – Cash, Check, Money Order, or Online at www.myschoolbucks.com or on the My School Bucks App.

Extra Sales (juice, milk, chips, fries, etc.) are sold to students who have a complete meal. If the parent does not want the student to deduct money from their meal account for extra sales, the cafeteria manager needs to be notified.

Parents will be notified via phone call when their student's meal account is low on funds (\$2.00 for reduced students and \$5.00 for full price students). Parent will also receive a call when the student has a negative balance. Please make sure your school office has up to date contact information should you have any changes during the school year.

Primary students are allowed to charge up to three (3) lunches. Middle & High School students are NOT allowed to charge.

Parents are encouraged to apply for free or reduced price meal benefits at www.myschoolapps.com, however, parents are required to pay for meals until the benefits are approved. A new application is required each school year.
